ATTACHMENT A

October 18, 2018

The Honorable Surrogate of the County of Gloucester Woodbury, New Jersey 08096

We (the Accountant/Contractor) are pleased to confirm our understanding of the services we are to provide the Office of the Surrogate, County of Gloucester, State of New Jersey, hereinafter referred to as "County Surrogate," for the year ended December 31, 2018. We will audit the statements of assets, liabilities, reserves and fund balance - regulatory basis, Guardianship Trust and Revenue funds, of the County Surrogate and the related notes to the financial statements, which collectively comprise the basic financial statements, of the County Surrogate as of and for the year ending December 31, 2018, in conformity with the *Requirements of Audit* as promulgated by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

We have also been engaged to report on supplementary information that accompanies the County Surrogate's financial statements. The supplemental financial statements presented for the various funds is presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and are not a required part of the basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and will provide an opinion on it in relation to the financial statements as a whole:

Supplementary financial statements presented for the various funds

# **Audit Objectives**

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with the *Requirements of Audit* as promulgated by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole.

The objective also includes reporting on -

 Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with Government Auditing Standards.

The Government Auditing Standards report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. The report will state that the report is not suitable for any other purpose.

# Audit Objectives (Cont'd)

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and other procedures we consider necessary to enable us to express such opinions. Our reports will be addressed to the Surrogate of the County of Gloucester. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue reports, or we may withdraw from this engagement.

# Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

-2-

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; federal and state award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

# **Audit Procedures - Internal Control**

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Government Auditing Standards.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

## Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the County Surrogate's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

## Other Services

We will also provide assistance with the preparation of the following:

- a) the financial statements in conformity with the *Requirements of Audit* as promulgated by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and related notes
- b) proposing entries affecting the financial statements

The aforementioned documents will be prepared based on information provided by the County Surrogate Office. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. The other services are limited to the above listed. We will perform the services in accordance with applicable professional standards. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities relating to the nonaudit services as listed in the Other Services section above. You will be required to acknowledge in the management representation letter our assistance with the nonaudit services and that you have reviewed and approved each of them prior to their issuance and have accepted responsibility for them. Further, you agree to oversee all of the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

# Engagement Administration, Fees, and Other

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you regarding the scope of the additional services and the estimated fees. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

We understand that your employees will assist in preparing all cash and various other confirmations we request and will locate any documents selected by us for testing.

We will provide copies of our reports to the County Surrogate. In addition, we will also submit a copy of our reports and financial statements to the Division of Local Government Services, Department of Community Affairs, State of New Jersey; however, management is responsible for distribution of the reports and the financial statements to any additional party(ies). Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Bowman & Company LLP and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to the Division of Local Government Services, Department of Community Affairs, State of New Jersey or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Bowman & Company LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

# Engagement Administration, Fees, and Other (Cont'd)

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such records shall be made available to the New Jersey Office of the State Comptroller upon request. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our Firm must submit to an external quality control review of its accounting and auditing practice by an independent third party every three years. One important component of this review process is a detailed inspection of the work performed by our Firm during the conduct of selected audits. As such, the independent third party, as part of this process, may select the audit engagement of the County Surrogate. However, the conduct of an external quality control review complies with the confidentiality requirements set forth in the AICPA Code of Professional Conduct. In accordance with *Government Auditing Standards*, Section 3.106, a copy of the Accountant's most recent external quality control review report is attached to this agreement (Appendix 1).

Michael J. Welding, CPA, RMA is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Vouchers for payment of these fees may, at our discretion, be presented as work progresses. All vouchers presented in accordance with this agreement shall be paid by the County Surrogate within forty-five (45) days from the date remitted. Delinquent balances may be subject to collection agency action if account is not paid in full in a timely manner.

The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

The County Surrogate shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the County Surrogate or any of its agents, servants, and employees, the *County Surrogate shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the County Surrogate or its representatives.

It is further agreed and understood that the County Surrogate assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the County Surrogate from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
